Objectives:

- State medically accurate information regarding the impact of abortion on women and their future reproductive lives.
- Discuss the risks of abortion vs childbirth.
- Outline the safety of abortion using peer reviewed articles.
- Discuss the basis of exceptions for the mother's life & health, as well as difficult questions regarding rape and incest.
- Describe the mechanism of action of mifepristone.
- Discuss the role of progesterone in pregnancy.
- Evaluate the data around reversal of mifepristone abortions.

Agenda

TOPIC TITLE	FACULTY NAME	NUMBER OF CREDITS
APR: A Second Chance at Choice	Dr. George Delgado	1

Disclosures

Disclosures for all those in control of the content of this activity. The names of the ineligible companies (within the last 24 months) and the nature of the financial relationship(s). There is no minimum financial threshold. Disclosure of all financial relationships with ineligible companies regardless of the potential relevance of each relationship to the education.

Name of all in Control of Content	Enter the Name of Ineligible Company (An ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients)	Nature of Financial Relationship (Examples of financial relationships include employee, researcher, consultant, advisor, speaker, independent contractor (including contracted research), royalties or patent beneficiary, executive role, and ownership interest. Individual stocks and stock options should be disclosed; diversified mutual funds do not need to be disclosed. Research funding from ineligible companies should be disclosed by the principal or named investigator even if that individual's institution receives the research grant and manages the funds)	Has the Relationship Ended? (The financial relationship existed during the last 24 months, but has now ended)
